

SERVEH KHOSHKALAM

Co-founder, Metrigo · Finance & Accounting Consultant / Analyst

Company: hello@metrigo.app Nationality: Iranian Public profile: profile-serveh-khoshkalam.html (LinkedIn alternative)
Team brief

PROFESSIONAL SUMMARY

Industrial-accounting trained finance professional and Metrigo co-founder. Currently accountant and finance lead at Sepehr Construction Group; collaborates with Metrigo's product founder as finance and accounting consultant / analyst — reviewing workflows, spotting gaps, and remediating issues in the product's accounting and finance modules so they match real construction-operator practice.

METRICO (FOUNDING COLLABORATION)

Co-founder · Finance & Accounting Consultant / Analyst · Metrigo

Present · Live SaaS / PWA · English / Persian · Intended ownership 30%

- Partners with the product founder on Metrigo's finance and accounting domain.
- Consults and analyzes installment, project cash, investor-share, and reporting logic.
- Identifies defects and gaps in the accounting / finance modules and drives corrections so the product stays operator-ready.
- Co-owner of product IP with the founding team (see cap-table snapshot).
