Profile v1

For evaluators. This hosted English profile + full CV PDF replaces a LinkedIn URL when a LinkedIn account is not available. Same facts as the committee CV; no invented employers or degrees.

ABOUT

Industrial-accounting trained finance professional and Metrico co-founder. Currently accountant and finance lead at Sepehr Construction Group. Collaborates with Metrico's product founder as finance and accounting consultant / analyst — reviewing workflows, spotting gaps, and remediating issues in the product's accounting and finance modules.

METRICO ROLE

Co-founder · Finance & Accounting Consultant / Analyst

Present · Live bilingual construction SaaS / PWA · Intended ownership 30%

- Partners with founder Mehrzad Saeedi on finance and accounting product logic.
- Analyzes installment, project-cash, investor-share, and reporting workflows.
- Finds and remediates defects and gaps in Metrico's accounting modules.

EXPERIENCE

Accountant & Finance Lead · Sepehr Construction Group

Present

- Accounting and financial responsibility for the construction group.

Accountant · Mabna Naghshe

Mapping / surveying company

- Accounting for company operations.

Accountant · Commercial complex

≈ 3 years · Shopping / commercial center

- Accounting for a commercial complex / shopping center.

EDUCATION

Industrial Accounting (حسابداری صنعتی) — institution / year available on request for diploma verification.
